

INSTRUCTIONS

Dear Fellow Clan Society Members,

To register for the upcoming Fitzpatrick 2024 Gathering, see the attachment ***Call to Gather Registration & Disclaimer*** (available on the website in Word and PDF formats), which gives broad details of the Fitzpatrick 2024 International Gathering arranged for 4th-6th October 2024 in Kilkenny City, Ireland. If you have any queries on any aspect of the above please email: contactfitzpatrickssociety@gmail.com.

We hope that there will be a very good attendance and that most of those attending will stay at the gathering venue, [The Kilkenny Ormonde Hotel, Kilkenny City](#). A limited number of rooms have been block-reserved at the hotel for those wishing to stay there. It is important that if you intend to do so, you arrange room reservation(s) directly with the Kilkenny Ormonde Hotel as soon as possible as some block-reserved rooms may be withdrawn at some future point if the hotel needs them.

Regardless of where attendees may be staying for the gathering, anyone wishing to attend the Fitzpatrick 2024 event must first register with the Fitzpatrick - Mac Giolla Phádraig Clan Society and pay the appropriate Registration Fee. At the end of both attached Call to Gather notices (Word and PDF) you will find a Registration Form which must be completed by the lead attendee on behalf of him-/her-self and any members of his/her party also attending; the necessary Registration Fee payment must also be made. Details of the Registration Fee charges are given in the Form. (The Word Registration Form is fillable but you may need to click "Enable Editing" to fill out the fields.) Alternatively, you may prefer to use the PDF version. Either completed Form must be emailed to John Fitzpatrick:(johnfitzpatrickp@gmail.com).

Registration Fee payment can be made online using the appropriate PayPal link (depending on the number attending in your party) provided in the Registration Form.

Please note that those attendees (essentially residing in Ireland) who do not wish to use the online payment facility but instead wish to post their payment using an Irish bank Euro cheque can do so. They must print a copy of their completed Registration Form and post it along with the Registration Fee Euro cheque payment to Martin Costello, 85 High Street, Kilkenny, R95 PY59.

Further information on talks and presentations at the event as well as information on coach tours will be issued in due course. (**Note:** Gathering Registration payment does **not** include cost of hotel accommodations, coach bus tours, meals, or any other expenses incurred by you. The Fitzpatrick - Mac Giolla Phádraig Clan Society Officer committee reserves the right to reject and deny entry to any Registration submissions with or without refunding associated payments for any reason.)

Looking forward to meeting you at Fitzpatrick 2024!
